

the wine  
frivolous, intense, sexy, dirty, crisp, full-bodied, light-bodied,  
fruity, earthy, cherry, blackberry, grapefruit, apple, dry, oaky,  
etc.,etc...

from wines that pair naturally with our food,  
to the wines that steal the show...

from around the world and our own backyard...

food and wine pairing  
contrasts are a beautiful thing,  
i.e. complex with simple, spicy with sweet, salty with fruity.

but sometimes birds of a feather:  
i.e. tangy with tangy, earthy with earthy, sweet with sweeter.

have fun with this, as rules are meant to be...

corkage policies  
no corkage on the first 750ml bottle—if we don't carry that  
special wine, bring it in.

explore  
if you would like a taste of any wine we offer by the glass?  
just ask.

want a half glass, let us know.

wish you could take a case of your favorite wine home?  
ask us about retail pricing...

the point!  
in sniffing, sipping, tasting or quaffing...  
be sure to experiment and enjoy!

cheers!

### bordeaux

the bordeaux region of france is split into two banks, right and left—sound familiar? the left bank wines are dominated by cabernet sauvignon and offer a touch more power and robust qualities, while on the right bank we tend to find softer, more approachable merlot-based blends.

#### left bank
