### **Group Dining Information**

**Purple Café and Wine Bar** is a fabulous place to gather with friends, family and colleagues. All of our locations offer distinct dining options that are perfect for a multitude of celebrations; from baby and bridal showers, to rehearsal dinners, birthday celebrations, business meetings, corporate gatherings, holiday parties and everyday get-togethers with friends and family.

Our Chefs at Purple take a simple and approachable philosophy to each item on our menu. Cuisine that has too many ingredients and flavors can make it difficult for you to select a suitable beverage. Simple foods pair the best with wine. Our Chefs encompass seasonality changes into our menus by constantly updating the menus with new and fresh ingredients. We also place an emphasis on cuisines from many regions where wine is produced in order to make each dish approachably wine friendly.

Our Event Planners will help guide you through your planning process, from choosing the location of your event, planning your menu and through the execution of your event so you feel confident that your experience will be a great success! If you have any special requests or needs, please make sure to share those with us. If there is something you absolutely desire that is not on our menus, please let us know and we can inquire about the availability of that item. Our Chefs are here to make suggestions and even design a special menu for your event.
